## Interests

---

**Learning Mandarin Chinese**

**2018-11 – present**

I am very interested in the Chinese language, as well as the history and culture of China. I started learning using the Duolingo app, and I'm now taking 2 10-credit modules on Chinese in my final year. I hope to take HSK level 4 before I graduate.

## Photography

I enjoy walking around with my camera and taking photos of anything that I think looks interesting. I take photos of architecture, landscapes, plants, people, and daily life. I don't publish my photos anywhere, I just enjoy taking them.
